

CSS Corp plans to add 1,500 more staff next fiscal

CHENNAI, FEB 4

IT major CSS Corp plans to recruit about 1,500 employees in the next financial year. The US-headquartered company currently has around 5,000 employees, serving at various locations.

“Next (financial) year, we will add close to 1,500 employees”, the CSS Corp CEO, Mr Nick Sharma, told reporters here today.

“Globally we have over 5,000 employees, (and) of the planned 1,500 recruits, 80 per cent would be from India”, he said.

The company has also announced its global expansion with the setting up of a new unit in Mauritius on February 9.

CSS Corp is already operating in four countries — India, US, the Philippines and Poland.
